PARTNERS MEETING

2nd Project meeting was held in France, Aix-en-Provence on 29th of September 2022. Main topic of this meeting was to agree on development of Train-the-Trainer Programme that will be piloted in 2023 through two Teaching Training Activities. Partner also discussed about CIRCULO e-learning platform that will use as a open on-line course with Train-the-Trainer programmes about circularity and entrepreneurship developed by Partners.

TEACHING TRAINING ACTIVITY IN AIX-EN-PROVENCE

CIRCULO Teaching Training Activity (TTA) was held from 31st January till 2nd of February 2023, in Aix-en-Provence, France. Purpose of this 3-day training event was to pilot the first part of Train-the-trainer programme developed by CIRCULO partners. It consisted of face-to-face instructions, workshops and debates about circular economy and entrepreneurship. The first transnational training event on building the knowledge of VET tutors about new economic development framework that the European Green Deal sets out and the opportunities it provides for development of circular economy and possible entrepreneurs ventures.

What in next?

Following the Teaching Training Activity held in Aix-en-Provence, CIRCULO will organize the second event in Zagreb, Croatia from 23rd – 25th of May 2023. This second Teaching Training Activity will focus more on building the pedagogic and digital skills of VET professionals to enable them to provide a quality VET service through accessible and interactive online environments while building their self-confidence to work in remote learning environments.
