Final Multiplier Event In Bastia, Corsica

On **18 September 2025**, the GUARDIANS project proudly held its Final Multiplier Event in Bastia, Corsica, hosted by IRIPS.

The event brought together trainers, healthcare professionals, social workers, students, and all European partners for an inspiring morning dedicated to building intercultural soft skills in health and social care training, a key issue for better supporting vulnerable populations and advancing Universal Health Coverage.

On the agenda:

- Access to healthcare and health education for all
- Well-being at work & key competencies
- Presentation of the GUARDIANS project and its results
- Inspiring testimonies from Belgium
- Practical ways to integrate these results into professional practice

Final Transnational Partner Meeting

In the afternoon, partners gathered for the Final Transnational Meeting, focusing on the completion and sustainability of project results.

Over two years, GUARDIANS has:

- Created innovative training tools to strengthen intercultural competencies in healthcare and social care.
- Promoted well-being at work as a key professional competence.
- Supported professionals, trainers, and students in integrating global competence coaching into daily practice.

While the official project ends in September 2025, the results and resources of GUARDIANS will live on through our dedicated learning platform:
