They set the ground for the initiative of the project activities at all levels (project management, financials, dissemination, and quality assurance).

NETIQUETTE+ MOOC and Didactic Handbook

The NETIQUETTE+ consortium is in the process of developing the MOOC and Didactic Handbook that will offer a flexible learning path for adult learners and support adult educators to better guide them throughout the process of engaging ethically, constructively and critically in the digital arena.

The result will be soon freely accessible at the Netiquette+ Learning hub and Digital Resources.
